FALCON AVENUE, DARWEN

Offers Over £199,950

Located in a very popular location, this semi detached dormer bungalow offers an exciting opportunity for anyone wanting a mini project.

The property comprises; entrance hall, lounge, dining kitchen, ground floor bedroom, two ground floor shower rooms & rear reception room. The layout downstairs is quite unique due to the current sellers requirements but does offer an ideal setup for anyone with any disability. To the first floor there are two further bedrooms and a store room. The property is perfectly liveable as it is, but does appeal to buyers who want to modernise & move a property their own.

Falcon Avenue is a cul de sac with a path way into picturesque Sunnyhurst Woods at the end of the road. This is a most sought after street in one of Darwen's premier locations, which is well served by a variety of local amenities and good transport routes.

OUR THOUGHTS - '*An excellent option for anyone wanting a mini project*'
