Here is what the owner has to say:

This flat has been our family home for the past eight years, and it's been a very special place for us. During that time, we've updated the kitchen and bathroom and laid LVT flooring to make it feel fresh, modern and easy to maintain. Being on the top floor means the flat is wonderfully bright, with every room getting natural light at different points in the day. One of our absolute favourite things has been the beautiful sunsets, with warm colours filling the living room and two of the

bedrooms.

All the bedrooms have generous built-in storage, which has made family life much easier. We've really enjoyed having a balcony — whether that's breakfast outside on a sunny morning or little picnics with the kids. The block has three lifts, which makes access easy for everyone, and there's a real sense of community on the estate. Our neighbours are kind and supportive, and it's been lovely raising our children here, letting them play out, I feel it's safe and grow up in such a friendly environment. It's a home we'll always cherish, and we hope the next owners will love it just as much as we have.
