CONTEMPORARY LIVING IN THE HEART OF LEWISHAM

On offer are eight of these unique one-bedroom Duplex apartments available within this brand new development. The ground floor offers an open-plan reception room/kitchen providing a generous 400sqft of living space with a private balcony and a downstairs toilet. The upstairs floor provides a double bedroom which is very spacious and benefits from large windows as well as a family bathroom. These properties offer approximately 689sqft as well as the outside space. These apartments are set within a leafy residential street in Lewisham.

Designed by an award-winning architect, the development combines contemporary architecture with thoughtful, highly functional layouts created around the way people live today.

The majority of the apartments feature unique duplex layouts, with beautifully connected living and kitchen spaces arranged across the lower level, and private bedrooms and bathrooms positioned above. This distinctive configuration creates a strong sense of space, separation and privacy rarely found in apartment living.

Recognising the changing demands of modern life, every apartment and house incorporates a dedicated work-from-home area, providing a practical and comfortable space for remote working, studying or focused personal time.

With an emphasis on natural light, generous proportions, intelligent design and modern living, this is a development created for those looking for something beyond the ordinary.

A WELL-CONNECTED LEWISHAM LOCATION

Set within a leafy residential setting in Lewisham, the development offers residents an appealing combination of green open spaces, excellent local amenities, highly regarded education and convenient transport connections.

A number of parks and open spaces are located close by, including Manor Park and Gilmore Road Park, providing residents with easy access to green space for walking, recreation and relaxation — right on their doorstep.

For families, Trinity Church of England School is situated approximately 100 metres from the development. The school provides education for boys and girls across primary and secondary age groups and has been rated 'Good' & 'Strong Standard' by Ofsted, providing an established local education option for families.

Staplehurst Road provides a vibrant local hub combining residential and commercial uses. Residents can enjoy a range of everyday conveniences, including a Sainsbury's supermarket, independent cafés, an Italian restaurant and an established gastropub and hotel. Lewisham town centre, offering an extensive range of shopping, dining and leisure facilities. The town centre provides everything from everyday essentials and banking to restaurants, bars and well-known retailers including Marks & Spencer and H&M, alongside the indoor shopping centre and popular daily street market.

Lewisham has also benefited from significant investment and regeneration in recent years, most notably the £250 million Lewisham Gateway development, which has brought new homes, a multiplex cinema, restaurants, leisure facilities and improved public spaces to the town centre. Together with continued investment in the wider area, these developments are contributing to the ongoing transformation of Lewisham into an increasingly attractive and well-connected place to live.

TRANSPORT

Hither Green train station (National Rail to Central London and Kent) is located 0.4 miles to the south east. Lewisham train station (National Rail and Docklands Light Railway services into Central London and beyond) located 0.8 miles to the north west. There are also 6 bus services located in close proximity to the site.
