THE LOCATION

Apart from emergency access, the road is closed at the junction with Gabriel Street which means it's a dead-end road. Because of this it is quieter than many roads in the area. Many buyers may suggest the location feels more like a cul de sac given the reduced use of the road.

Garthorne nature reserve is located a few roads away from the property which is a beautiful lush green space with plenty of birdsong.

You may read more about the nature reserve here and discover why it is so loved by the locals and such a benefit to live nearby. You can also read a bit about the history of the area including details on the Great North Wood and the Croydon Canal: <https://garthorneroadnaturereserve.com/>

Undoubtedly this property offers a great location if schools and transport are top of your list, however, this location has even more to offer in the way of cafés, boutiques shops and numerous recreational facilities. We'd encourage buyers to explore the area and enjoy a coffee or dine in one of the many local eateries to appreciate the area.

Transport to central London stations from Honor Oak train station (which is approximately 0.3 miles from the property) includes some of the following travel times:

London Bridge in approximately 15 minutes

London Victoria in approximately 35 minutes

Canary Wharf in approximately 24 minutes

Some of our favourite local eateries include Mama Dough (a sourdough pizza restaurant) and the award-winning Babur Indian restaurant. There's also the Honor Oak gastro pub and a selection of boutique cafes and shops.

There's also the popular Le Querce which is run by a Sardinian family serving traditional dishes.

Other local attractions include One Tree Hill which is just at the top of Honor Oak Rise and offers some of the most breathtaking views across London and the city skyline.

Blythe Hill Fields which is approximately one mile away and is known by the locals for its recreational facilities and regular events. One such facility is the Trim trail which is an exercise trail.

You may look up details about Blythe Hill Fields on their website:

The Horniman gardens and museum is another well-known local point of interest. With regular events such as a farmers market and live music, we believe this will be of interest to many buyers.
