Location

One of the greatest selling points of this semi-detached house is its location, especially for families. Situated just 400m from The Charter School North Dulwich, a highly-regarded and oversubscribed school, the property sits within one of the most desirable school catchments in South East London. Rarely would you find a house at this price point in such a prime spot.

The house is also perfectly positioned to enjoy the best of the local area. It's approximately 0.4 miles from Lordship Lane, where you'll find a wealth of boutique shops, bars, restaurants, cafes, and gastro pubs, as well as the vibrant ambience of the Dulwich market.

The Property

This semi-detached house is around 15 years old and offers two spacious double bedrooms and residents' parking within the development. With over 865 sq ft of internal living space, the house boasts well proportioned rooms. The primary bedroom is 15.5ft long, and the second is nearly 13ft—a far cry from a typical box room. The kitchen-diner is also well sized at nearly 19ft. These spacious proportions are something buyers will truly appreciate when they view the property in person.

The low-maintenance rear garden features a convenient side gate for easy access from the front of the house, which is great for parties or for bringing large items in without going through the house. To the front, there is a porch that extends to an integral cupboard, providing useful additional outside storage.

Schools

Within less than a mile of the property there are some very highly acclaimed junior and secondary

state schools. Some of these schools include:

The Charter School North Dulwich
The Charter School East Dulwich
Dulwich Hamlet Junior School
Dulwich Village Church of England Infants' School
Judith Kerr Primary School
Harris Primary Academy East Dulwich
Heber Primary School
Bessemer Grange Primary School

TRANSPORT

North Dulwich, East Dulwich, Denmark Hill and Herne Hill stations are in proximity of the property. Some of the following travel times are available from these stations:

Blackfriars in approximately 12 minutes

Victoria in approximately 10 minutes

London Bridge in approximately 15 minutes

Canary Wharf in approximately 32 minutes

Here is what the owner has said about the property:

We bought this house for the incredible school catchment, but we didn't realise how much we would love the house itself. We are only moving due to a completely unexpected opportunity to relocate with work. The neighbourhood is quiet and the neighbours are friendly. Our favourite part is the garden – the seating area is shady and we have spent so much time outside throughout the spring eating outside and enjoying the space. We love the space for the bikes and access. If it wasn't for the move abroad, there is no way we would leave.
