THE PROPERTY

This two double-bedroom Victorian-style conversion flat offers fantastic living space due to an architecturally designed rear extension with bi-fold doors directly onto the private rear garden. With a lease of over 150 years remaining and £0 ground rent and service charges, it's well suited to a first-time buyer or investor.

Set back from the road with a shared driveway in front, the building is grand in appearance and positioned in a row of houses that are a mixture of period styles. This flat is positioned on the hall floor of a semi-detached period building.

As you will note from the images, floor plans, videos and interactive virtual tour, the property is extensive as it offers over 74 sqm of space which is the same floor space as many 3-bedroom properties.

You will note that the open plan kitchen living area is over 28 ft in length, is split level and features a partial glass ceiling in the extension combined with bi-fold doors that lead directly onto the private, landscaped, rear garden which gets beams of sunlight (as seen in the images).

A side access is a great added benefit as it provides convenience not normally available with many flats.

Both the bedrooms are double rooms and have built in wardrobes. The smaller of the two bedrooms has wonderful striped window frames which is likely from the building's original period.

The primary bedroom spans some 17ft and has a wonderful bay window adding grandeur to the room.

To truly appreciate what this property offers and the aesthetic of the design features, we urge you to view our 360-degree interactive virtual tour as well as our full walk through on YouTube and short video on TikTok.
