The Square, Boston Spa

DESCRIPTION

This beautifully presented period cottage, constructed from attractive limestone offers charming curb appeal and a delightful cottage-style feel. Purchased by the current owners as an investment property, it has enjoyed consistent success as a rental and would make an ideal purchase for first-time buyers, couples, or investors alike.

The accommodation briefly comprises a spacious living room featuring a striking exposed brick fireplace and a log-burning stove, which requires minor works to meet current building regulations. The cosy kitchen is fitted with a range of base units, an integrated gas hob and oven, space for freestanding appliances, and benefits from a generous storage cupboard and also includes washing machine and free standing fridge freezer.

To the first floor, there is a well-proportioned double bedroom again with the stunning exposed brick fireplace and fitted storage with pleasant views over the front garden. The house bathroom is fitted with a freestanding bath with shower over, alongside a useful airing cupboard. The landing also offers a versatile nook, ideal for use as a home office, reading area, or cosy seating space.

Externally, the property enjoys a charming front garden with attractive planting, a garden shed, and a private seating area perfect for relaxing on summer evenings. The south-west facing aspect provides excellent afternoon and evening sunshine. To the rear, there is access space for refuse bins, together with a useful brick-built outbuilding providing additional storage and housing the recently fitted combination boiler. On street parking is also available.

Ideally situated just moments from the heart of Boston Spa, the property enjoys excellent access to Leeds, York, the A1(M) and A64. Boston Spa offers an excellent range of local amenities, including independent shops, bars, restaurants, and highly regarded primary schools, all within easy walking distance of the cottage.
