Long Marston, York

DESCRIPTION

Hunters Wetherby are proud to present this four-bedroom detached bungalow in the lovely historical village of Long Marston, which is located between York and Harrogate and close to the A1.

This property was built in the late 1980s by the local builder 'FW Leighton' in the centre of the village opposite the local pub "The Sun Inn".

Upon entering, you are welcomed into a light-filled porch, with a separate cloakroom to the side, which features a low-level WC and pedestal basin for added convenience.

The kitchen is fitted with a range of wooden wall and base units. It boasts an integral oven and hob. Additionally, there is ample space for both a dishwasher and a washing machine. A convenient access point directly into the garage from the kitchen adds to the practicality of this lovely home.

The dining room boasts dual aspect windows. This thoughtful design allows natural light to flood the space, creating a bright and airy environment for family meals or gatherings with friends.

The Lounge area continues the theme of natural light cascading through glazed sliding doors that open directly onto the garden, just imagine relaxing with the doors open on these upcoming summer days. The lounge centres around a brick-built fireplace with dark wood tops, creating a focal point to the room.

The generous conservatory is accessed off the lounge and delivers a space flooded with natural light, which opens out to the pond, perfect for enjoying the garden views.

The property has four bedrooms, three of which are generously sized and come complete with built-in wardrobes. The fourth bedroom, while a good single, could also serve as an excellent office space.

The first bedroom benefits from an en-suite shower room consisting of a spacious walk-in shower, low-level WC and pedestal basin.

The house bathroom consists of low-level WC, pedestal basin and bath.

Externally, the property boasts a fantastic position and corner plot giving easy access onto the driveway and is complimented by a walled garden and hedging to the front giving privacy in all areas.

The wrap around front garden is low maintenance with a well-maintained lawn and borders leading to a charming patio area looking over a small pond, an ideal spot in the morning to enjoy a morning coffee.

The rear of the property is a sun trap in the afternoon, low maintenance with pebbled and patio areas overlooking a striking water feature in the centre of the garden.

The front of the property is complemented by a pebbled driveway, offering off-street parking for multiple vehicles, along with a double garage with electric door and electric gates to the front of the property.

This bungalow not only provides a comfortable living space but also a wonderful outdoor environment, a space to make your own.

This bungalow is a perfect choice for those looking to enjoy the serene lifestyle in the countryside that Long Marston has to offer.
