Hunters Estate Agents present this truly impressive stone built three-bedroom top floor luxury apartment, complete with double garage and a private rear garden to the sales market.

This fabulous home occupies the entire top floor of Sandfield House, a large, detached stone property believed to have been built for the original Leckhampton Hill quarry master in the 1800's.

Offered for sale in excellent, fully modernised condition, the apartment boasts of the following accommodation:

Inside

The property is entered on the ground floor with its own private entrance located in the centre of the house. Stairs lead up to the main hallway with doors off to all rooms. The impressive 16' living room and bedrooms two and three all face the front elevation. The main bedroom one with its own en-suite bathroom faces the rear garden. Bedrooms two and three are serviced by the generous family bathroom and the well-appointed kitchen also overlooks the rear.

Outside

The property is set well back from the Leckhampton Road behind a row of mature trees. The driveway passes in front of the property leading to two off-road parking spaces and a large garage with mains power and light. At the rear, there is a private garden with a pedestrian gate and close panel fencing to all elevations.

Top Flat, is a maisonette with the key attribute of having no communal area. There is a private entrance, private parking and a private garden. The 990+year lease shares the property with just one other apartment at £0 per month service charge. Building Insurance is split 50/50. The maintenance responsibilities of Top Flat are limited to the maintenance of the roof, which we are delighted to report has recently been refurbished, making this property very economical to run.
