Hatherley, Cheltenham, GL51 6HT

Asking Price £585,000

Hunters Estate Agents are delighted to offer this exceptional four bedroom fully extended traditional semi-detached family home to the sales market. This fine home has been fully refurbished from the ground up including a two-story wrap around extension and a fully converted garage providing a very pleasant guest suite or professional home office.

Further features of this impressive property include an outstanding 21' x 17' ultra-modern Kitchen breakfast room with centre island, and bi-fold doors overlooking the long and private rear garden. The ground floor also offers a separate living room, study, utility room and ground floor wc. The first floor has four generous bedrooms and two bathrooms.

Outside, the property is set back from the road behind its own fore-garden which has been block paved to provide extended parking. The rear garden is a major feature being over 100' in length and enjoys a high degree of privacy. The property, being extended, has blocked access to the garage, so this has been fully refurbished into a cosy detached studio, excellent for an overnight guest space, home office or playroom.

SUMMARY: This is sincerely a luxury home. The extensions and refurbishment have been carried out with exceptional care and thought. We love the way the house still offers the cosy traditional living room with a deep bay window blended with the highly desirable option of a very large and modern 'day space' at the rear. This must be one of the best entertaining homes we have seen in a while. With the bi-fold doors fully retracted, the house would host an almost limitless number of guests to a summer party or barbeque.

This property sits in the heart of central Hatherley being just a few yards from a bus stop with regular services to central Cheltenham, the railway station and Bishops Cleeve. The property is within easy pedestrian reach of highly desirable schools and local shops.
