Welcome to Alvestone, a truly special five double bedroom detached family residence complete with garage and private gardens, situated within a 3-minute walk of the famous Cheltenham Racecourse on the edge of Cheltenham town centre.

This fine property is a unique, bespoke one-off build in circa 1985 and offers exceptional accommodation including:

Ground Floor:

The property is approached via a grand entrance porch with stone pillars and a raised step. The entrance hall and landing are quite exceptional and rare to find in a modern home. The ground floor boasts of a large 17'+ sitting room with double doors opening into the generous 14' dining room. The kitchen/breakfast room keeps the theme alive with over 17' of space, uncluttered with utilities due to the separate utility/boot room. The fourth reception room is designated as a home office/study but could easily be used as a music room or playroom.

First Floor:

The galleried landing is central to all rooms on the first floor. All bedrooms are more than capable of housing a double bed with comfort, and additional furniture. Bedrooms one and three face the front elevation with bedrooms two, four and five facing the rear. Bedroom one hosts its own full en-suite facility with a further four piece family bathroom serving the remaining rooms.

Outside:

The property is set well back from the main road behind its more than ample drive with off road parking for several cars. The side driveway leads to two substantial gates giving access to further hardstanding (ideal for a caravan or motorhome) leading in turn to a large, detached garage with mains power and light. At the rear, there is a good-sized south facing rear garden, dual tiered and mainly laid to lawn.

Summary;

This impressive home offers the appearance of a traditional stone country house without the associated complex maintenance, due to only being 40+ years old. This property comes highly recommended
