Hatherley Lane

Hatherley, Cheltenham, GL51 6PW

Guide Price £325,000

Hunters Estate Agents are delighted to present this charming two double bedroom extended traditional detached bungalow to the sales market complete with a private rear garden, garage and off road parking.

This fine property requires a complete renovation including a full re-wire, new heating system, kitchen, bathroom and decor. The resulting property will be very desirable. All the assets of a property that you can't change, the location, proximity to facilities, rear garden size and south facing rear garden etc are all perfect and exactly as a buyer would want.

The bungalow offers the following accommodation.

The entrance runs through the middle of the property and is a warm and welcoming hallway. The main sitting room is a large bay-fronted room overlooking the front. Bedroom two and the bathroom sit to the left. The main bedroom has a lovely private aspect overlooking the rear. The large extended kitchen will be a lovely central hub of the property creating a wonderful 'day space' for the owners and an equally attractive entertaining room for guests. The rear conservatory has visible defects and will require removing or upgrading. To the side, there is uPVC porch/wellie room.

Outside:

The property is set back from the road behind a front garden and off road parking for two vehicles. The garage is much wider than average with good head-height. There is plenty of room for a large family car and storage. To the rear, there is a good sized south facing garden which enjoys a good degree of privacy.

Hatherley Lane stretches from central Hatherley to The Reddings and the bypass. This property is right at the beginning of the road enjoying easy pedestrian access to a local school, a row of shops and a local bus stop. Anyone looking for easy access to the M5 could not do much better with a direct route to Junction 11. This is a fabulous property and one that we highly recommend to anyone looking to create a bespoke home of their choice/design.
