Hunters Estate Agents are proud to introduce this truly exceptional three-bedroom freehold duplex apartment with off road parking to the sales market. Formally a coach house, this fine property has been professionally converted into a two-story luxury home.

The outstanding attention-to-detail and care taken over this conversion is immediately obvious when entering the well-presented property. The accommodation includes the following:

Ground Floor

On entering the light and airy entrance hall, there is a door to the left giving access to a 17'9" kitchen/dining room. The kitchen area is fully fitted with new units and a large breakfast bar, the dining area sits to the front of the property and is currently being used as a family snug. This is a fabulous entertaining room. From the hallway, there are stairs to the:

First Floor

The long 'S' shaped landing has doors off to all rooms. Bedroom one, three (or home office) and the living room all face the front elevation. The living room is a very comfortable square shape and perfect for quiet nights in. The landing, the bathroom and bedroom two all have windows facing the rear. All bedrooms are large enough to house a double bed if required.

Outside

The Property has no outside maintenance areas with no front or rear gardens to maintain. There is an allocated off road parking space.

Summary

This fabulous home is a converted coach house, adding a large kitchen/breakfast room to the itinerary. If working from home, bedroom three would make a very good home office and there are still two double bedrooms remaining. When compared to most apartments, the running costs and hassle are very low with no outside maintenance required. Being Freehold, there are no monthly service charges and no ground rent. There are no estate charges either. This coach house would make a smart first purchase or a shrewd investment purchase.

Highly recommended.
