# Symphony Road

Cheltenham, GL51 6GJ

Asking Price £280,000

Hunters of Cheltenham are delighted to offer this impressive modern two-bedroom terraced home to the sales market. This property is a credit to its owners and is presented for sale in immaculate condition both inside and out.

Ideal for first time buyers and equally perfect for investors with its two double bedrooms, popular with sharers.

The accommodation includes:

**Ground Floor:** The living room is a lovely relaxing room located at the rear of the property overlooking the garden. The kitchen sits to the front of the property with a larger than average cloakroom sitting between the ground floor rooms. We have seen similar properties who have removed the cloakroom opening out to the kitchen to provide a large kitchen/dining room with impressive results.

**First Floor:** This style property has two double bedrooms, one at each end of the property with the bathroom located between. Ideal for anyone sharing or a perfect sound barrier if you have teenagers!

**Outside:** The property is roadside facing with off-road tandem parking for two vehicles at the rear. The rear garden is very well maintained with close panel fencing and a pedestrian gate to the rear.

**Summary:** The development surrounding Symphony Road offers a wide variety of properties including 5-bedroom, 4-bedroom and 3-bedroom luxury homes. The 2-bedroom properties are always highly sought after and rarely available for sale. This particular house occupies a charming plot enjoying a good degree of privacy at the rear.

We highly recommend this fine home.
