Hunters Estate Agents are delighted to offer this impressive modern cottage style two-bedroom terraced house to the sales market, complete with a private covered carport, additional off-road parking and a generous rear south facing garden.

This fine home is a credit to its current owner and presents itself in immaculate decorative condition both inside and out. The property offers the following accommodation:

Ground Floor: The bright and welcoming entrance hall has doors off to all rooms. The kitchen faces the front elevation of the house and has been recently re-fitted. The gas central heating boiler is located in the kitchen. To the rear there is a large living space with enough room for allocating sitting and dining areas. The stairs lead off to the first floor. Double door leads to the very well-kept garden.

First Floor: The landing has doors off to all rooms. The main bedroom overlooks the rear garden. Bedroom two and the family bathroom face the front elevation. The loft is fully boarded with a fitted easy access ladder.

Outside: The property is set back from the road behind a rustic block paved drive providing off road vehicular parking. To the rear of the property there is an attractive rear garden which enjoys a high degree of privacy and a South facing aspect. There is a gate to the rear, this gate and a side drive gives access to an impressive carport with the third bay from the left allocated for the sole use of the owners of this property.

This development is always popular due to its location. Being set on the edge of Hatherley it is also a manageable walk (approx. 30 minutes) to Lansdown with Montpellier being just a little further away. This facility is always highly desirable as Cheltenham continually evolves into a premium location for leisure, shopping and sporting facilities. Further assets include a short stroll to a local bus service and quick access to Cheltenham Rail Station.
