HERE TO GET *you* THERE

This very well presented three bedroom flat has been thoughtfully updated to create a bright, welcoming home with a modern yet timeless feel. Walnut wooden flooring runs throughout the property, adding warmth and character to every room, while the recent refurbishment, including new plumbing means the flat is ready to move straight into without the need for further work.

At the heart of the home is a beautifully redesigned kitchen featuring sleek grey wooden units, crisp white quartz worktops, and fully integrated appliances, combining practicality with a clean contemporary finish. The flat enjoys both southwest and east facing aspects, filling the space with natural light throughout the day, from soft morning sun to warm evening light.

Ideally located a five minute walk from London Underground, the property offers excellent transport links while still being close to nature and amenities. Popular local green spaces including Chestnuts Park, Downhills Park and Walthamstow Wetlands are all nearby, offering plenty of opportunities for weekend walks, running, cycling, and escaping the pace of the city.
