Lakeside Gardens, Colne

DESCRIPTION

Hunters Bingley are proud to bring to the market a rare opportunity to buy a building plot to build your own stunning dormer bungalow. Accessed through a private driveway, this exclusive development is situated in an idyllic lakeside setting, located between Foulridge Reservoir and Lake Burwain.

These executive new homes are only a short walk from the village amenities, including a bistro pub, cafe bar, Italian restaurant as well as multiple takeaways. Colne and Burnley are only a short drive or regular bus journey, which offer a wider range of shopping and entertainment options and also onward train journeys to Blackburn, Preston and beyond. The historic Leeds and Liverpool Canal is just a short stroll away and you are right on the doorstep of the Yorkshire Dales National Park and Forest of Bowland Area of Outstanding Natural Beauty.

This range of amenities ensures that you can enjoy the peace and quiet of countryside village life whilst also enjoying the conveniences of urban living.

Planning Permission has been granted for natural coursed stone walls with cut stone quoins to the corners and around all windows and doors - this house will look right at home in its setting. It will also include underfloor heating downstairs, a brand new efficient boiler, solar panels and an electric car charger - it will be very efficient and economical to run.

The Planning Reference at Pendle Borough Council is 25/0420/FUL - the Planning Portal shows all approved plans.

This Dormer Bungalow features a Feature Double-Height Entrance Hallway, Open Plan Kitchen / Dining / Sitting room as well as a separate Living Room, WC and Downstairs Master Bedroom with En-Suite Shower Room. Upstairs are 2 further double-bedrooms and a spacious House Bathroom with separate bath and shower.

There is also an option for a Build Contract with the developer.

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

Energy Efficiency Rating		Environmental Impact (CO ₂) Rating	
	Current	Potential	
Very energy efficient - lower running costs			Very environmentally friendly - lower CO ₂ emissions
(92 plus) A	94	94	(92 plus) A
(81-91) B			(81-91) B
(69-80) C			(69-80) C
(55-68) D			(55-68) D
(39-54) E			(39-54) E
(21-38) F			(21-38) F
(1-20) G			(1-20) G
Not energy efficient - higher running costs			Not environmentally friendly - higher CO ₂ emissions
England & Wales		EU Directive 2002/91/EC	England & Wales
			

These particulars are intended to give a fair and reliable description of the property but no responsibility for any inaccuracy or error can be accepted and do not constitute an offer or contract. We have not tested any services or appliances (including central heating if fitted) referred to in these particulars and the purchasers are advised to satisfy themselves as to the working order and condition. If a property is unoccupied at any time there may be reconnection charges for any switched off/disconnected or drained services or appliances - All measurements are approximate.

THINKING OF SELLING? If you are thinking of selling your home or just curious to discover the value of your property, Hunters would be pleased to provide free, no obligation sales and marketing advice. Even if your home is outside the area covered
