Old Hutton, Kendal, LA8 0NX

Offers Over £300,000

***MUST VIEW * GREAT OPPORTUNITY FOR A DEVELOPER TO ADD VALUE TO A PROPERTY IN A LOVELY COUNTRY LOCATION.**

A substantial detached two-bed bungalow with NO CHAIN that has been EXTENDED over the years and that sits in a good sized, mature garden in the village of Old Hutton. The accommodation comprises of entrance hall, living room, kitchen/diner, utility, sunroom, shower room, and bathroom, whilst outside there are gardens front and rear, a double driveway and a workshop/store.

The bungalow is located towards the head of a cul-de-sac with rural aspects all around. It has double glazing and oil fired central heating. All the living accommodation is in good order, but it is now ready for some modernisation by the new owners.

Old Hutton is a small village, about five miles from the centre of Kendal and has a primary school and pre-school, and excellent rail connections with the mainline railway at Oxenholme just a short drive away.

Entrance Hall

You enter the bungalow via a timber framed, part glazed door that leads into the hallway.

Living Room

This is a spacious room with a large floor to ceiling window to the front elevation and another window to the side, providing plenty of natural light. Thoughtful planting in the front garden ensures the room is screened for privacy, and there is space for living room furniture and a dining table if required.

Kichen/Diner

Whilst ready now for a replacement kitchen, the current units are fitted at wall and base level and with contrasting surfaces over and there is an inset stainless steel sink and drainer and space for a free-standing cooker. The room is amply big enough to create dining space, and the oil fired boiler is located in a niche by the rear door leading to the garden.

Utility

The utility has a Butler's sink and plumbing for a washing machine.

Shower Room

A useful showroom with a WC and accessed off the Utility Room. Comprises of WC, wash-hand basin, and shower cubicle.

Sun Room

This is a lovely room facing out to the rear garden, offering a space to sit and enjoy the sunshine. The room is big enough to use as a bedroom if required. Double doors lead out down steps to a hard standing area and onwards to the garden.

Bedroom One

A good sized double room with built in wardrobe storage and overlooking the rear garden.

Bedroom Two

A second double room, once again looking out from the rear elevation.

Family Bathroom

The bathroom has a panel bath with thermostatic shower over and a glass shower screen, and a wash-hand-basin and vanity unit.

WC

The WC located alongside the bathroom.

Store/Workshop

The garage has been reduced in size to accommodate the internal utility and showroom extension. Externally it is accessed via an eclectically operated roller door.

Driveway

Parking for two vehicles side-by-side on a block paved driveway in front of the workshop.

Gardens

The bungalow sits in mature gardens that wrap round the building. The front garden has a number of mature shrubs and trees that help to screen the property from the road and provide privacy. There are gates and access to both sides of the building, and in the rear you find a good sized plot, with a lawn, planting to borders, a greenhouse and a garden pond. There is also a hard-standing gravel area outside of the sun room.
