A separate front living room features a bay window overlooking the park, allowing for plenty of natural light, complemented by neutral décor and a decorative electric fire that creates a welcoming setting. To the rear, the open-plan kitchen-diner serves as the focal point of the home. Contemporary navy shaker-style units are paired with contrasting white worktops and a herringbone-style floor. Integrated appliances include a fridge-freezer and oven, while a breakfast bar and designated dining area provide a practical space for everyday living and entertaining. A boiler installed in 2023, and still under warranty, offers added peace of mind and efficiency. Doors open onto a low-maintenance rear garden with raised decking, suitable for outdoor dining and family use. A garage offers additional storage or parking.

The top floor is dedicated to the principal suite, comprising a spacious bedroom which currently accommodates a super king bed, a separate dressing area, and a generous ensuite shower room, thoughtfully arranged for ease of use. An additional double bedroom on this level benefits from a rear outlook, fitted wardrobes and a neutral finish, further highlighting the home's adaptable layout.

On the first floor, there are two further double bedrooms. One overlooks the rear garden and includes fitted wardrobes, while the other is positioned at the front with park views and its own ensuite shower room, making it ideal for guests or older children. The family bathroom is fitted with a modern suite, including a bath with over-bath shower, vanity sink, heated towel rail and frosted window.
