Inside, the layout works well for busy families. There are two reception rooms: a separate living room with dual-aspect light and sliding doors opening onto the garden, plus a second reception that combines a large snug and conservatory area. This flexible space works well as a playroom or dedicated dining room. The impressive L-shaped kitchen features a modern, sleek design with handleless high-gloss units, integrated fridge freezer and BOSCH oven and hob, along with dining space for everyday meals. A separate utility room keeps laundry and storage neatly tucked away. There is also a handy downstairs W C.

Upstairs, the main double bedroom includes fitted mirrored wardrobes. The second bedroom is another good double, and the third comfortably fits a double bed and is currently used as a nursery. Bedroom four can be tailored to your family's needs, currently arranged to provide two sleeping areas or one bedroom plus a study, ideal for children or home working. The modern tiled bathroom is a great size with separate bath and shower, heated towel rail and two frosted windows.

Additional benefits include a boarded loft with pull-down ladder, CCTV security, and a dual driveway. The garage has been converted, with power and insulation, creating a highly versatile extra room that works brilliantly as a home office, entertaining bar space, games room or gym, offering excellent flexibility for modern living. Outside, the one-of-a-kind horseshoe garden offers different zones for relaxing and play, complemented by a pergola just off the living room.

Pudsey's town centre is close by, with shops, cafés and local amenities, plus nearby parks for outdoor time. The area is well-regarded for schooling options and offers excellent commuter links via road, rail and regular bus routes, making it a convenient location for families and professionals alike. Internal viewing is highly recommended by the agent - don't miss out!
