This exceptional three-bedroom home has undergone a comprehensive, high-quality refurbishment and is offered in true move-in-ready condition. This is far more than a cosmetic update; the property has been carefully transformed throughout, with improvements including a full rewire, complete replastering of the walls and ceilings, a newly fitted kitchen and a stylish new bathroom.

Finished with a clear focus on quality, comfort and modern family living, the home offers an impressive standard of accommodation from top to bottom. Occupying a generous corner plot, it also benefits from excellent outdoor space, a gated driveway and a garage, while offering further potential subject to any necessary planning permissions.

One of the property's most valuable features is the presence of three genuinely well-proportioned double bedrooms. In a market where many three-bedroom homes offer two doubles and a smaller box room or office, this property provides far greater flexibility for families, guests, home working or long-term living.

The ground floor opens into a welcoming entrance hallway, leading through to an impressive 21-foot open-plan living and dining room. This generous space is ideal for both everyday family life and entertaining, with plenty of room for comfortable seating and a full dining area.

The newly fitted kitchen continues the high standard found throughout the home, featuring a range of contemporary high-gloss wall and base units with ample worktop space. Integrated appliances include an electric oven, gas hob and stainless-steel extractor, while there is also plumbing for a washing machine and space for a breakfast table.

To the first floor are three spacious double bedrooms, each offering excellent proportions and ample room for bedroom furniture. The stylish bathroom is fitted with a modern white Roca suite comprising a WC, wash basin and bath with a shower and screen above. Further features include an extractor fan and a chrome dual-fuel heated towel rail.

Externally, the property enjoys a substantial corner plot which enhances both its appearance and practicality. A large lawned garden extends across the front, while the rear garden offers an inviting setting for relaxing, entertaining and family use, with a generous lawn, patio seating area, mature planting, hedging, established trees and a fruit tree. The surrounding greenery creates a pleasing sense of privacy.

A gated driveway to the side provides off-street parking and leads to a single garage, ideal for parking, storage or workshop use. The garage benefits from power, lighting, a secure uPVC pedestrian access door and a recently installed insulated steel roof designed to help reduce condensation.

Pudsey is a highly regarded and well-connected location with an excellent range of amenities. The town centre offers supermarkets, independent shops, cafés, bars and restaurants, together with schools for a range of ages. Pudsey Park provides attractive gardens and a children's play area, while the nearby Owlcotes Shopping Centre is home to larger retailers including Asda and Marks & Spencer. Regular bus services and New Pudsey Railway Station provide convenient links to Leeds, Bradford and surrounding areas.

Offered to the market with no onward chain, this is a rare opportunity to purchase a fully refurbished family home where three double bedrooms are on offer and the accommodation is ready to enjoy from day one.
