Welcome to this beautifully presented DETACHED home in a sought-after Pudsey location. An elegant and CHARACTERFUL property that perfectly balances traditional charm with modern living. Thoughtfully updated throughout, this stylish residence offers bright, neutral décor, impressive proportions, and the flexibility to further EXTEND if desired. With three generous bedrooms, a reconfigured LUXURY bathroom, a FULLY ALARMED home and garage, and a WRAPAROUND private garden, it is an exceptional home with far-reaching VIEWS suited to growing families and professional buyers alike.

Step inside through the LIGHT and airy PORCH, featuring frosted glass panels and arch detail, which opens into a spacious ENTRANCE HALL with original balustrade and engineered OAK parquet flooring, a welcoming introduction to the home's quality and character. The LIVING ROOM enjoys natural light from a large bay window and showcases a striking exposed brick fireplace housing a LOG-BURNING STOVE set upon a slate hearth, complemented by two arched alcoves and oak-style flooring. The adjacent DINING ROOM exudes elegance with decorative plaster ceiling detailing, another feature fireplace, and a pleasant outlook across the garden, an ideal space for family gatherings or entertaining guests.

The KITCHEN sits to the rear, bright and functional with fitted wall and base units, ample workspace, and a sink and drainer. A rear-facing window allows light to flow through, while the wood flooring ties the space seamlessly into the rest of the home. There is also huge potential to EXTEND to the side or rear, subject to planning permission, offering the exciting future opportunity to create a much larger OPEN PLAN kitchen and living space to suit a growing family's needs.

Upstairs, a spacious landing with large side window leads to THREE well-proportioned bedrooms. The main bedroom features a beautiful bay window with far-reaching VIEWS, finished with neutral plastered walls and oak-style flooring. The second double bedroom overlooks the rear garden and is fully replastered, carpeted, and READY to move into, while the third bedroom offers flexibility as a HOME OFFICE or guest room, again with elevated views and quality finishes.

The LUXURY BATHROOM has been cleverly reconfigured to create a standout space, fully tiled and featuring a four-piece suite with a walk-in shower, large bathtub, WC, and wash basin. Chrome period-style fittings, dual frosted windows, and a traditional three-column radiator with heated towel rail complete this HIGH END finish.

OUTSIDE, the property is SET BACK and screened from the road, creating a private and peaceful first impression. It enjoys an enclosed, mature WRAPAROUND garden with a high degree of PRIVACY, offering a low-maintenance haven with patio space for outdoor dining, and well-established planting that creates a tranquil setting. To the front, a LANDSCAPED garden with gravelled and planted areas provides an attractive approach, with hedged and walled borders and gated access to both sides of the home. A LARGE DRIVEWAY provides off-street PARKING for multiple vehicles, leading to an integrated, fully alarmed GARAGE with power, lighting, and a recently updated consumer unit from 2021, offering excellent utility, storage, or workshop potential.

This is a RARE opportunity to acquire a STRIKING DETACHED home on one of Pudsey's most well-regarded locations, combining space, CHARACTER, and modern comfort in equal measure. Early viewing is highly recommended.
