# Rose Road, Harborne, Birmingham, B17 9LJ

A superbly maintained traditional mid-terraced property situated in this highly desirable location in the heart of Harborne Village. The property provides deceptively spacious internal living accommodation with a low maintenance courtyard and is perfectly placed for access to the renowned Harborne High Street. Ideal for both first time buyers or investment and being sold with No Upward Chain.

Despite needing some internal decorative modernisation, the property has been superbly kept, and provides both double glazing throughout and gas central heating via an annually serviced boiler.

Set back from the road with a gated front courtyard, the on street parking outside the property does include electric charging stations for those who require EV charging.

As you enter the property, a small entrance archway then leads into the spacious living area, historically combining both front and rear reception rooms to provide a space for both living and dining, with a large bay window, staircase to the first floor and a feature fireplace. The kitchen provides wall and base level units with complimentary work surfaces and tiled splash-back areas, with integrated oven and electric hob with extractor unit and access to the rear courtyard. An additional small utility area provides space and plumbing for washing machine and tumble dryer, and finally leading through to a fully tiled downstairs shower room.

The upstairs accommodation has a landing area with storage and loft access, with access into two very good sized double bedrooms, with the main bedroom including bay window and built-in wardrobes, and a fully tiled bathroom suite completes the accommodation which also houses the central heating boiler.

Outside to the rear of the property is a low maintenance cobbled rear courtyard providing a lovely and secluded bit of outdoor space, with access onto Gordon Road.
