Summary

Available chain free, this spacious split-level mid-terrace commercial mews property presents a rare opportunity to acquire a building with planning approval already in place to convert into a substantial five-bedroom house or live/work unit. There is also potential for alternative configurations, including conversion into two dwellings, subject to the necessary consents (STPP).

Currently arranged as flexible studio and office accommodation extending to approximately 1,591 sq. ft. (147.8 sq. m.), the property offers excellent internal volume, strong natural light via skylights and large windows, and a layout that readily lends itself to residential reconfiguration in line with the approved scheme.

Blackstock Mews is a gated and tucked-away setting just off Blackstock Road, providing a quiet environment while remaining close to a wide range of local amenities. Finsbury Park Station is within easy reach, offering Victoria, Piccadilly and National Rail connections, while Highbury, including the popular Highbury Barn and its independent shops, cafés and restaurants, is also nearby.
