The kitchen/dining room is thoughtfully designed with an array of floor and wall mounted units, complemented by stylish stone worktops and a range of integrated appliances. This bright and sociable space also benefits from doors leading directly to the garden, while a separate utility room adds valuable practicality.

The ground floor accommodation is completed by two generous double bedrooms, a well-presented family bathroom, and a versatile home office, ideal for modern living.

The first floor is dedicated to the impressive main bedroom suite, featuring built-in wardrobes and a contemporary en-suite shower room, creating a private and comfortable retreat.

Externally, the property continues to impress with a generously sized rear garden, predominantly laid to lawn and complemented by a patio seating area—perfect for outdoor dining and entertaining. The garden also benefits from side access and direct access to the double garage.
