DESCRIPTION

Positioned on the sought-after Carlton Drive in Wigston, this traditional three-bedroom home offers generous and versatile accommodation arranged over two floors. While the property would benefit from some updating and modernisation, it presents an excellent opportunity for buyers to add their own style and create a home tailored to their taste. And is offered to market with no upward chain.

The accommodation begins with an entrance hallway leading into a spacious open-plan lounge and dining room, featuring a fireplace with decorative surround that creates a welcoming focal point. The kitchen is fitted with a range of wall and base units, work surfaces, and a useful pantry, with a double-glazed door providing side access to the garden.

Stairs from the hallway rise to the first-floor landing, giving access to three well-proportioned bedrooms. The family bathroom is fitted with a classic avocado suite, complemented by a separate WC.

Outside, the rear garden offers a pleasant outdoor space with a lawn, decorative stone seating area, patio, and a selection of mature plants and shrubs. To the front, a walled garden leads to a driveway providing ample off-road parking and access to a garage located to the side of the property.

Additional benefits include gas central heating.

This home is ideal for first-time buyers, families, or those looking for a property with potential in a popular location. Carlton Drive is conveniently situated close to Wigston town centre, local amenities, public transport links, and offers easy access to Leicester city centre, Fosse Park Retail Park, and major motorway connections.

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

These particulars are intended to give a fair and reliable description of the property but no responsibility for any inaccuracy or error can be accepted and do not constitute an offer or contract. We have not tested any services or appliances (including central heating if fitted) referred to in these particulars and the purchasers are advised to satisfy themselves as to the working order and condition. If a property is unoccupied at any time there may be reconnection charges for any switched off/disconnected or drained services or appliances - All measurements are approximate.

THINKING OF SELLING?
