DESCRIPTION

No Upward Chain – Victorian Terrace – Gated Off-Road Parking & Car Port – Ideal First-Time Buy or Investment – Three Bedrooms

Offered to the market with no upward chain, this attractive Victorian-style terraced home presents an excellent opportunity for first-time buyers, young families or investors looking for a property ready to move into. Ideally located within a highly popular residential area, the property is just a short walk from South Wigston railway station, local shops, supermarkets, schools and everyday amenities, while offering excellent road and public transport links into Leicester and the surrounding motorway network.

Retaining the character and charm expected of a traditional home, the accommodation begins with a welcoming living room, leading through to a separate dining room that's perfect for family meals, entertaining or working from home. The fitted kitchen provides ample storage and workspace, while the modern three-piece family bathroom with shower over the bath completes the ground floor.

Upstairs, you'll find two generous double bedrooms together with a versatile third bedroom, currently used as a home office but equally suited as a nursery, dressing room or child's bedroom, offering flexibility to adapt as your needs change.

Outside, the enclosed rear garden has been designed for easy maintenance, featuring decorative paving and stone seating areas that are ideal for relaxing or entertaining during the warmer months. A garden shed provides useful storage, while the rare addition of gated and covered off-road parking or storage area, offers convenience and peace of mind.

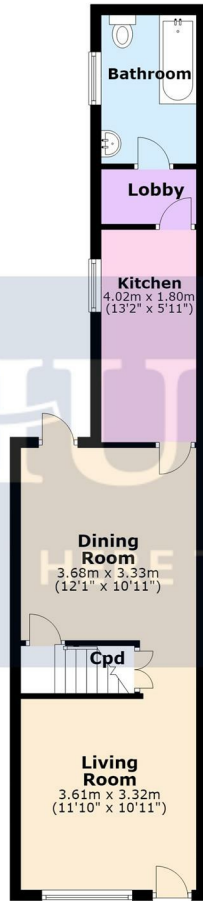

Properties offering this combination of character, practicality and location are always in demand. Whether you're taking your first step onto the property ladder or expanding your investment portfolio, this is a home not to be missed.
