DESCRIPTION

No Upward Chain – 3/4 Bedroom Semi-Detached Home – Large Garden – Scope to Extend or alter layout– Fantastic Family Potential

Offered to the market with no upward chain, this spacious 3/4 bedroom semi-detached home presents an exciting opportunity for buyers looking to create a home tailored to their own taste and lifestyle. Requiring general updating, the property offers generous accommodation, excellent flexibility, and significant potential to extend or reconfigure, subject to the necessary permissions.

The welcoming lounge is filled with natural light from the bay window and provides a comfortable space to relax with family and friends. The dining room creates a superb entertaining area, with French doors opening onto the garden and plenty of room for family gatherings and everyday living.

The fitted kitchen is complemented by a useful utility room, offering practical storage and workspace, while additional external store rooms and WC for future development ideas.

To the first floor are three well-proportioned bedrooms, all offering comfortable accommodation for a growing family. A former fourth bedroom has been converted into a shower room and can be adapted back into a bedroom, home office, nursery, or hobby room depending on your needs. A family bathroom and separate WC further enhance the practicality of the layout.

Outside, the property continues to impress with a generous, established rear garden. Mature trees, shrubs, lawned areas, and pathways create a wonderful outdoor space for children to play, keen gardeners to enjoy, or families to entertain throughout the warmer months.

The home also benefits from gas central heating, double glazing, and the potential to create off-road parking to the front, subject to the relevant consents.

Ideal for first-time buyers, growing families, or buyers seeking a project with genuine long-term potential, this is a fantastic opportunity to secure a spacious home and add value over time.
