It also benefits from UPVC double glazing including external rear door, composite front door, mains gas central heating with Glo-worm combination boiler serviced annually, fully fenced courtyard with external lighting and water tap, and is offered freehold.

The property consists of entrance hall with understairs display/storage area, sitting room (with previously open fireplace having wooden surround), generous sized dining room having 2 ceiling lights, a study, fitted kitchen (including built in electric oven and ceramic hob with extractor hood, space for both fridge freezer and an under-counter appliance), utility (with worktop and space /plumbing for washing machine with tumble dryer over) and a downstairs shower wet room (fully tiled and having shower rail & curtain, wall hung hand basin, and low level close coupled toilet).

Upstairs is the landing with 2 ceiling lights, bathroom (majority wall tiled and having bath with mixer taps and wall mounted shower extension, hand basin with mixer taps in vanity with double cupboard under, and a low level toilet), and the 3 bedrooms (with the master having a feature period cast iron decorative fireplace).

The property is located in the centre of the popular village of Coningsby whose amenities include supermarket, post office, butchers, hairdressers, doctors, public house restaurants and the Battle of Britain Memorial Flight Visitor Centre. Coningsby is separated by the River Bain for fishing from historic Tattershall with it's castle, schools, library, country park, water sports centre and go-kart track and the property is only about 5 miles from tree lined Woodhall, home of the National Golf Centre.
