DESCRIPTION

Hunters are pleased to offer for sale this well presented, recently refurbished two bedroom victorian terrace home sitting on Highbury Road, Bedminster. Having only bought the property a few years ago, the current vendors have undertaken a substantial amount of work bringing it up to modern specification making it ideal for first time buyers and couples alike, there is also the benefit of a complete onward chain.

Internally the ground floor offers a front sitting room, making us of the bay window. The large dining room affords a view over the garden whilst the kitchen has been bought up to date with a modern set of units with contrasting work surfaces. Upstairs there are two double bedrooms, the larger of which spans the width of the property itself. The bathroom is a large space, with ample room for the bath, WC and wash hand basin. Internally there is scope for further development if required (subject to the necessary permissions) by the way of the loft room or return kitchen extension should either be required.

Perhaps one of the biggest features of the property is the large well stocked garden, it faces west making most of the afternoon and evening sun and the vendors have incorporated a seating area and an array of raised beds and planting areas. This great home is sure to prove popular, so please contact Hunters to arrange an internal viewing.
