Whernside Close, Harrogate, HG3 2QT

DESCRIPTION

NO ONWARD CHAIN! An opportunity to purchase a nearly new three bedroom end terrace family home, offering spacious, well planned accommodation throughout and larger than average garden for this style of build. The energy efficient property is located at the end of a cul-de-sac, has rolling countryside on the door step and is within easy vehicular access of Harrogate town centre.

Presented to a very high standard throughout, with many upgrades from the original specification including wood engineered flooring to the ground floor. The accommodation comprises: Entrance hallway, guest WC, lounge with under stairs cupboard, superb open plan dining kitchen with space for the fridge freezer, washing machine and dishwasher and double doors opening to the rear garden. The kitchen benefits from upgraded kitchen units and worktops. The first floor landing serves three bedrooms, bedroom one with en-suite shower room and built in wardrobes and modern house bathroom.

To the outside, the property is located in a quiet no through road and has the benefit of off road parking, with lawn garden and path leading to the front door. Side gated access opens to an enclosed rear garden laid mainly to lawn with patio area. We strongly recommend an early viewing.

The property is located on King Edwin Park off Penny Pot Lane, turn onto Whernside Close and look out for the numbering on the street signs for number 57.

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

These particulars are intended to give a fair and reliable description of the property but no responsibility for any inaccuracy or error can be accepted and do not constitute an offer or contract. We have not tested any services or appliances (including central heating if fitted) referred to in these particulars and the purchasers are advised to satisfy themselves as to the working order and condition. If a property is unoccupied at any time there may be reconnection charges for any switched off/disconnected or drained services or appliances - All measurements are approximate.
