The ground floor features a stylish front-facing lounge with a log burner, creating a warm and welcoming space. This leads through to a truly impressive modern kitchen with underfloor heating, complete with built-in appliances and a central island. Bi-folding doors open directly from the kitchen onto the rear garden, creating a fantastic open-plan space that is ideal for both everyday family life and entertaining. The property benefits from a heat pump.

Also to the ground floor is a useful utility room, WC and integral garage.

The property has been finished to a high standard throughout and offers a practical and comfortable layout. One of the standout features is the large landscaped rear garden, which includes a generous patio seating area and provides an excellent outdoor space for relaxing and entertaining.

A particular highlight of the home is the connection between the kitchen and garden, with the bi-folding doors allowing the two spaces to flow seamlessly together during the warmer months.
