## DESCRIPTION

Tucked away on St Luke's Grove, this three-bedroom semi-detached home offers an excellent opportunity for buyers looking to modernise and add value in one of York's most convenient and well-connected residential areas. With a practical layout, generous room sizes and a good-sized plot, it's a property with genuine potential.

An entrance porch leads into a welcoming hall, giving access to the bright bay-fronted living room at the front of the house. To the rear sits the kitchen, enjoying views over the garden and offering clear scope for reconfiguration or extension (subject to permissions). A rear lobby provides access to a ground-floor W.C. and the garden.

Upstairs, the first floor provides three bedrooms — two comfortable doubles and a third single ideal as a study, nursery or dressing room. A shower room completes the accommodation.

Outside, the rear garden offers a blend of lawn and patio with plenty of space to landscape or create an outdoor seating area. To the front, the property benefits from driveway parking.

St Luke's Grove enjoys a superb position close to York Hospital, Clifton Green, Bootham and the city centre, all within easy reach. Local shops, cafés and amenities are nearby, and the area benefits from strong transport links and easy access to York Railway Station.

With its excellent location and clear potential, this is a home ready for transformation — a great opportunity for those looking to create something special in a sought-after part of York.
