DESCRIPTION

Set within the popular Westgate development, this spacious upper floor apartment offers well-proportioned accommodation in a particularly convenient position, just a short distance from York city centre and the railway station.

The apartment is approached through the impressive communal atrium, a real feature of the development, before entering into a generous hallway. The main living/dining room is a great size, with plenty of space for both seating and dining areas and large windows bringing in plenty of natural light. A separate fitted kitchen provides a good range of units and worktop space.

The bedroom accommodation is also generously proportioned, while the bathroom is fitted with a white suite including both a bath and separate shower. Overall, the apartment provides a good amount of space and offers plenty of potential for a buyer to put their own stamp on it.

Westgate is well placed for anyone wanting easy access into York, with the railway station and city centre within easy reach. The development also enjoys an attractive position close to the River Ouse, making this a convenient option for commuters, city workers or those simply wanting to enjoy everything York has to offer.
