DESCRIPTION

Set within the sought-after area of Holgate, this well-presented two-bedroom top-floor apartment occupies a distinctive period building with plenty of character, formerly a doctor's surgery and converted into apartments in 2005. The interiors make excellent use of the lofted architecture, with exposed beams, angled ceilings and generous natural light creating a warm and inviting feel. Its position offers superb convenience, with York city centre and the train station close by, regular bus routes on hand, and Acomb High Street's shops and amenities just moments away.

The apartment centres around a spacious open-plan living, dining and kitchen area, arranged beneath the building's original roofline. The dining space sits beneath exposed beams, while the adjoining living area provides a cosy retreat finished in rich tones. The kitchen is modern and practical, with contemporary cabinetry, integrated appliances and a well-planned layout.

Both bedrooms enjoy the property's characterful loft setting, each with sloped ceilings, skylights and timber beams. The principal bedroom is notably generous, while the second double offers flexibility for guests, home working or additional living space. A contemporary bathroom suite completes the accommodation.

Externally, the property benefits from a private parking space, adding everyday practicality. Sold with no onward chain, apartments offering this blend of space, style and character in such a well-connected location are seldom available. Early viewing is strongly recommended.
