DESCRIPTION

Set within a modern residential development close to York city centre, this well-presented two-bedroom duplex apartment offers spacious, contemporary living across two floors. Positioned on Jackson Street, it provides easy access to local shops, cafés, transport links and the city's cultural and retail amenities. The building benefits from secure intercom access, offering added peace of mind for residents.

The ground floor features a generous open-plan living and dining area, finished in neutral décor and filled with natural light. High ceilings and clean modern finishes create a subtle warehouse-inspired feel with impressive volume. A modern fitted kitchen with integrated appliances sits just off the living space, while a stylish contemporary bathroom completes the lower level.

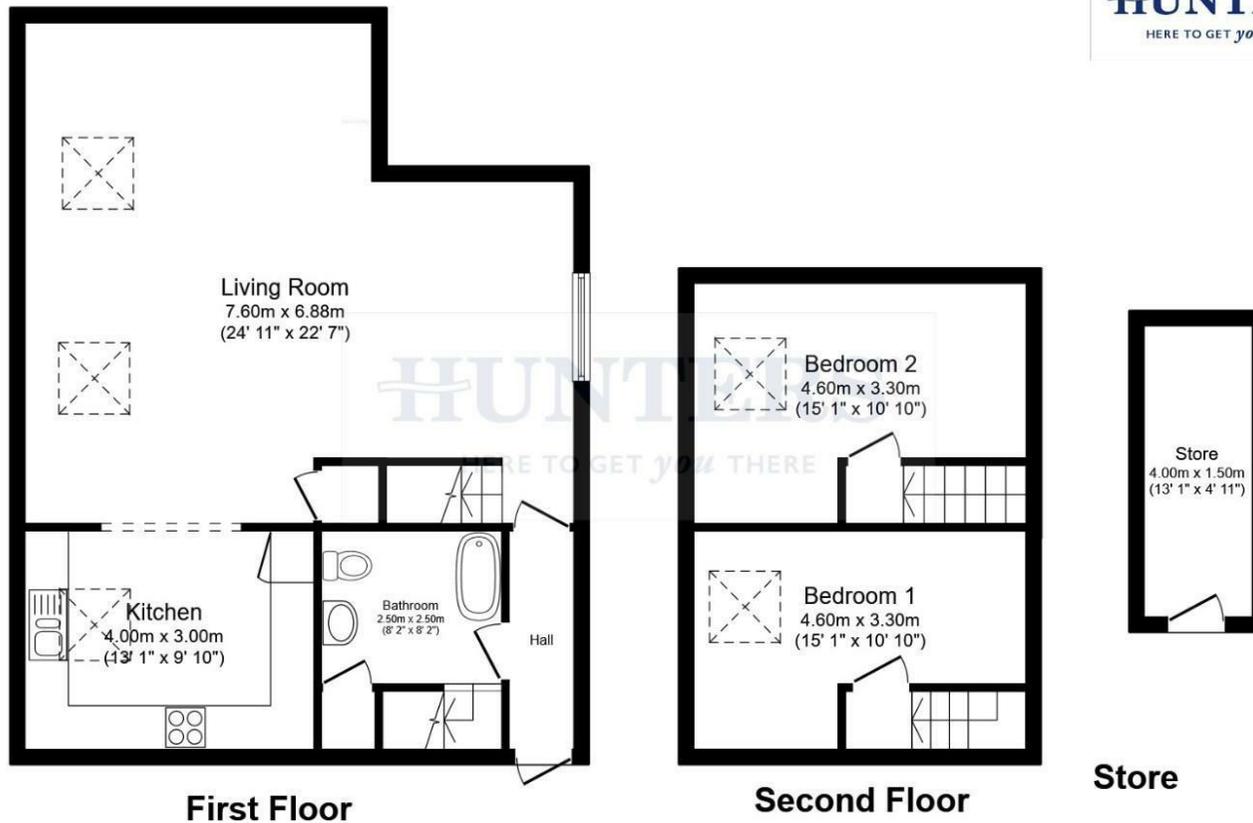

Upstairs, there are two well-proportioned double bedrooms, offering flexibility for sleeping, home working or guest use. The duplex layout provides a clear separation between living and sleeping areas, appealing to first-time buyers, professionals and investors.

Externally, the development includes a private residents' parking area. While this apartment does not come with an allocated space, one may be available by separate negotiation. Each flat also benefits from its own private secure storage unit within the communal area, ideal for bikes, luggage or seasonal items. The building is well maintained and offers convenient access to bus routes and nearby green spaces.

Homes of this style and layout, so close to York city centre and offered with no onward chain, make an ideal first-time buy or straightforward rental investment.
