Frank Cliffe Way is a new neighbourhood for Middlewich, located just off the St Ann’s Road; a community of 35 homes from one-bedroom apartments to two and three-bedroom homes, thoughtfully designed and beautifully crafted. Choose the layout that suits your lifestyle and enjoy a home that is as stylish as it is efficient.

Often described as idyllic with a fantastic sense of community, Middlewich is a town with an incredible sense of place and history. It should come as little surprise that in 2014 the CW10 postcode was voted one of the top five most attractive places to live in the UK.

In the crook of the Trent & Mersey and the Wardle Canals, Frank Cliffe Way is ideally located to all the town’s amenities including being a short walk from local primary and secondary schools, the community centre and the leisure centre, the popular restaurants and cafes of Wheelock Street, as well as the canal-side paths.

It’s ideally located for easy access onto the local main thoroughfares including the A54, A530 and the Holmes Chapel Road to the M6.

A former Roman settlement, Middlewich has many sites of historical interest that span the ages, and the town is a keen celebrant of its past connections with many annual local festivals and commemorations for residents.

Frank Cliffe Way itself is named after a decorated local war hero, a Middlewich man for all his life, and who in 2016 was awarded France’s highest military honour, becoming a Chevalier (Knight) in the Legion D’Honneur for his actions on D-Day.
