DESCRIPTION

SHARE OF FREEHOLD. Fantastic 2-bedroom Victorian conversion flat which has been tastefully decorated, found close to Grove Park station & has been fully refurbished & modernised to a high standard by the current owner since 2019.

The property benefits from a shared garden to the rear & an allocated parking space to the front & features wood laminate flooring, gas central heating, generous window apertures & coving. The bathroom features striking patterned floor tiles & white bonded brick effect wall tiles.

Measuring 61.7sq metres we feel the property is ideal for first time buyers looking for space & that it offers versatile living areas that would suit someone looking to work from home.

Here's what the owners told us:

We have really enjoyed living in Grove Park over the last five years. Our flat was perfect for us as first-time buyers, with spacious rooms & a very large, shared garden that's great for BBQs in the summer!

It's just a 2-minute walk from the train station, so you can get to London Bridge in 20 minutes & Charing Cross & Waterloo East in less than half an hour. The commute to central London is very convenient - you can go to work or have a night out in London & get back home very quickly!

Our neighbourhood is well-connected & also has lots of amenities close by. There's several shops & two cafes, & Chinbrook Meadows is a lovely park which is a 5-minute walk away. Beckenham Place Park is also nearby which has a swimming lake which is fantastic to visit in the summer.

A big perk of Grove Park is the close proximity to Bromley, where we often visit the shops, bars, restaurants & the Picturehouse cinema. This is all just 10 minutes away on the bus. In other direction, you can get to Lewisham & Catford by bus within about 20 minutes.

Grove Park offered us the best of both worlds: the convenience of quick access to central London & the charm of a peaceful, community-oriented neighbourhood & we wholeheartedly recommend it as a great place to live
