An arched entrance canopy leads into a wide entrance lobby with access to a generous walk-in cloakroom. Beyond lies the dramatic central reception hall, where a galleried landing, double height ceiling, and timber staircase create an immediate sense of scale and architectural character. Off the hall is a separate ground-floor cloakroom/WC.

A versatile ground-floor study (11'1" x 8'1") provides a dedicated home office or an accessible fifth double bedroom for visiting guests.

Upstairs, the generous accommodation continues with four well-proportioned bedrooms arranged around the spacious galleried landing.
