Victoria Road, Hythe

Asking Price £280,000

This well-presented two-bedroom flat offers bright and comfortable accommodation together with the valuable benefit of allocated parking, making it an excellent opportunity for first-time buyers, downsizers or those seeking a low-maintenance home.

The property is approached via a communal entrance and offers a well-arranged interior. A particular feature is the modern fitted kitchen, finished with contemporary high-gloss white cabinetry, contrasting work surfaces, tiled splashbacks and integrated cooking appliances. The kitchen provides excellent storage and preparation space, while a window allows plenty of natural light into the room.

The accommodation further comprises a spacious living area, providing ample room for both relaxing and dining, alongside two well-proportioned bedrooms offering flexibility for couples, guests or those requiring a home office. A fitted bathroom completes the internal accommodation.

Externally, the flat benefits from allocated off-road parking, an increasingly sought-after feature for apartment living. Rightmove specifically recognises parking-related wording when identifying properties for its parking filter, so highlighting the allocated space should also help the listing reach buyers actively searching for parking.
