Cliff Road, Hythe

Asking Price £780,000 - £850,000

Set within one of Hythe's most desirable coastal roads, this distinctive detached family home combines character, generous proportions and an exceptional 120ft garden, creating a wonderfully versatile home with genuine scope to adapt to modern family life. With off-road parking, a garage, sea views and a position within easy reach of the seafront and High Street, The prestigious Cliff Road offers a particularly appealing setting on the Kent coast.

Inside, the house has a warm and individual character, with well-proportioned reception spaces designed around everyday living and entertaining. The kitchen and dining area forms a natural hub of the home, with direct access into the garden creating an easy connection between the house and outside space. There is also potential to create a fifth bedroom on the ground floor, offering flexibility for growing families, guests or those looking to accommodate changing needs over time.

Upstairs, the accommodation includes four bedrooms, with the upper rooms enjoying views towards the sea, while the overall layout provides plenty of space for both family life and quieter moments. The property also benefits from a studio above the garage, a valuable additional space that could work equally well as a home office, creative studio, gym or guest accommodation.

Outside, the 120ft rear garden is one of the property's defining features. Private and established, it extends into a productive orchard with apple, pear and cherry trees, alongside mature gooseberry and blackcurrant bushes and a grapevine. A separate timber garden studio provides another versatile space, ideal for working from home, hobbies or simply enjoying the garden throughout the year.

The generous frontage provides ample off-road parking and access to the garage, adding a practical dimension that is increasingly sought after in this coastal location.
