DESCRIPTION

This well-presented one-bedroom end-of-terrace property, offered in excellent condition throughout and situated within a popular and convenient residential location in Hayes. This attractive home is ideal for first-time buyers, downsizers, or investors and offers excellent scope for future improvement.

The property has been fully renovated to a high standard, including replastering throughout, new electrics with a modern energy-efficient consumer unit, new plumbing, a new boiler, and new radiators with individual temperature controls. The heating system is Hive-controlled, providing smart and efficient home heating. Additional peace of mind is offered via an integrated security system with cameras.

Internally, the accommodation comprises a separate reception room and dining area, a modern separate kitchen, and a contemporary three-piece bathroom suite. The bathroom further benefits from underfloor heating, a luxury Whirlpool Jacuzzi bath, and a Bluetooth-enabled cabinet, creating a spa-like experience. New carpets and flooring have been fitted throughout, enhancing the home's fresh and modern feel. There is also potential to convert the property into a two-bedroom home, subject to the necessary planning permissions, allowing buyers the opportunity to add further value.

Externally, the property features a private rear garden, ideal for outdoor enjoyment, along with an own concreted driveway to the front and an allocated parking bay specifically assigned to the house, in addition to additional parking bay, offering ample off-street parking. Ideally located close to local amenities, schools, and transport links, the property provides easy access to shops, supermarkets, and key commuter routes, making it a practical and desirable home.

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

These particulars are intended to give a fair and reliable description of the property but no responsibility for any inaccuracy or error can be accepted and do not constitute an offer or contract. We have not tested any services or appliances (including central heating if fitted) referred to in these particulars and the purchasers are advised to satisfy themselves as to the working order and condition. If a property is unoccupied at any time there may be reconnection charges for any switched off/disconnected or drained services or appliances - All measurements are approximate.
