The Manley XL

Harker Place, CA6 4RF

Price £490,000

Welcome to the Manley XL - a detached five-bed executive home where every detail has been carefully considered to ensure an elegant living environment that is as cost-effective to run as it is beautiful to live in. This fine residence not only offers space and luxury but also the opportunity to add a personal touch, with a wide range of bespoke choices and upgrades available which you can choose these to reflect your own taste.

From the moment you step inside, the sense of space is undeniable. A bright and light hallway leads to a spacious living room which has expansive windows that fill the space with natural light. The heart of the home is the impressive open-plan kitchen/dining/family area thoughtfully positioned at the rear of the property. With direct access to the garden, it creates a seamless connection between indoor and outdoor living. The ground floor is completed by a utility room and ground floor WC adding convenience, while the integral garage provides secure parking and additional storage.

On the first floor, this home continues to impress. Two of the five bedrooms feature ensuite shower rooms, while three further well-proportioned bedrooms provide flexibility-whether as bedrooms, a home office, or a dedicated dressing room. A stylish family bathroom completes the first floor, finished to the highest standard with contemporary free standing bath and elegant ceramic tall tiling.

The Manley XL is equipped with the latest technology, designed to make everyday living both efficient and comfortable. A Mechanical Ventilation with Heat Recovery (MVHR) system operates throughout the house, continuously removing stale air and introducing clean, filtered fresh air into the living spaces. Solar roof panels help power the underfloor heating and hot water, helping to reduce energy consumption and running costs.

Externally, there is off-road parking for 3 vehicles and an EV charger, and there are gardens to the front and rear, currently laid to lawn.

LOCATION

Positioned just north of Carlisle, our development at Low Harker offers a rare opportunity to enjoy country living within minutes of all the amenities of the city. Low Harker is exceptionally well connected: the popular routes of M6, A69 and A7 are all within easy reach. Carlisle city centre, with its vibrant array of fine dining restaurants, schools, high street shops and cultural/historical attractions lies less than 4 miles away. The Scottish Borders and the Lake District National Park are only a short drive away too. Blending tranquillity, history, and excellent accessibility, Low Harker presents a distinguished address for those seeking both privacy and prestige.

ABOUT HARTFELL HOMES

Hartfell Homes & Developments Limited have been developing and building innovative homes within thoughtfully planned-out communities for well over 20 years throughout Cumbria and the Borders.. Our ambition is simple, to design and build quality homes that you'll aspire to and want to live in.

To achieve that ambition, every stage of construction - from initial ground and foundation works - all the way through to external and internal 'finishes' are personally supervised by a director of Hartfell Homes. Only when we are satisfied with overall build quality and all finishes, are we then ready to hand our houses over to you, our new home owner, to begin your journey of making our house into your brand new home.

But our journey in creating your home doesn't stop there. Our 'Aftercare' is second to none and we pride ourselves in providing a friendly, easily accessible and efficient after-sales service for our home owners, so we can take care of your home after you've moved in. Hartfell's passion, pride, commitment and enthusiasm is at the heart of every home we build. We look forward to welcoming you to Harker Place and introducing you to your new dream home!
