Green Lane Cottage is a charming four-bed detached bungalow located in the hamlet of Blitterlees. With a big internal footprint, large private garden and substantial detached garage and workshop, this is an ideal home for families, while the large outbuilding makes it suitable for those with a business, or maybe owners looking to establish a garden and enjoy the beautiful surrounding area. Now ready for a refurbishment, Green Lane Cottage offers all the ingredients to create a real statement home.

Located just off the road passing through Blitterlees, you approach the bungalow through a gated access and onto a hardstanding area with parking for several vehicles. The accommodation comprises of a sun room, living room, large combined kitchen and dining room, 4 double bedrooms, one with en-suite, family bathroom and laundry room.

Outside there is a large garden, mostly laid to lawn and with mature native and fruiting trees. Beyond the garden boundary are open views over agricultural land and there is also a smaller garden to the front elevation of the property facing the road. Furthermore, there is a large detached building housing a generous sized garage and carport and with a big workshop.

Heating and hot water comes from the Rayburn in the kitchen and the multi-fuel burner in the living room and there are also solar panels on the garage roof to supplement and reduce the monthly bills.
