Guide Price £300,000

This is an exquisite home with beautiful interior design, grand rooms with a mix of contemporary and classic styles, and with quality fittings and finishes throughout. There is kerb appeal aplenty with a beautifully planted forecourt, a Virginia Creeper that adorns the red brick elevation and a climbing white rose framing the entrance. Stepping inside you will find a spacious, breath-taking interior with almost too many features to describe.

Highlights include the fabulous dining kitchen where you find a blend of modern with traditional, with contemporary contrasting cabinets and worktops set alongside a classic Aga sat neatly in a recess. The reception rooms are spacious with high ceilings and attractive fireplace settings. The first floor bathroom oozes luxury with marbled wall and floor tiles. And then there is the fabulous Sunroom with a Mediterranean vibe that irresistibly invites you to sit, relax and while away the hours.

Upstairs you will find three bedrooms, each with a boutique feel with exposed timber floors and ornate cast iron fireplaces. The large master to the front is fitted with bespoke wardrobes, the second double room offers glimpses of the rear Courtyard garden, and the third is suited as a single.

To the rear of the property is a beautiful Courtyard, with delightful cobbled and tiled floors, high walls that provide privacy, and an outbuilding for storage and with a gardeners WC. The current owners have filled the space with pots with specimen plants continuing the Mediterranean theme, but there is also a mixture of permanent planted trees and shrubs, and green foliage that climbs the Courtyard walls. The outside links seamlessly to the inside with double door entrances into the living room, the kitchen, and the sunroom. A sensational space to enjoy, socialising with friends or simply relaxing with the family.

Highly sought after location on a quiet residential street, this is a superb family home that will be the envy of your friends.
