DESCRIPTION

Hunters are delighted to welcome to the market, this well presented three bedroom, detached family home – found within the popular Chartfields development. If you're looking to reside in a quiet neighbourhood, with all of Ashfords necessities close by, then look no further than this wonderful family home. The property is sat behind a well kept small frontage also offering a large driveway to the front of the home & integral garage, allowing spaces for 2 cars, the drive way itself leads to a single garage with up and over door providing essential storage space for all that comes with day to day family life.

The homes internal accommodation in brief comprises of a ground floor W/C, an essential for a family home. There's a large spacious lounge with large sun room to the rear of the home offering a view into the well kept garden. The large lounge leads through the french doors into the conservatory, the perfect addition to this house acting as another reception room. The home's kitchen, located at the front of the home, where you will find a array of wall and base units, plenty of work top space, the perfect window placement to gaze out of the window whilst tackling the washing up along with space for your free standing appliances you would need. Finishing the ground floor well is a door into the homes integral garage, offering the chance to convert to use as further living space STPP which has been seen on the estate in recent years.

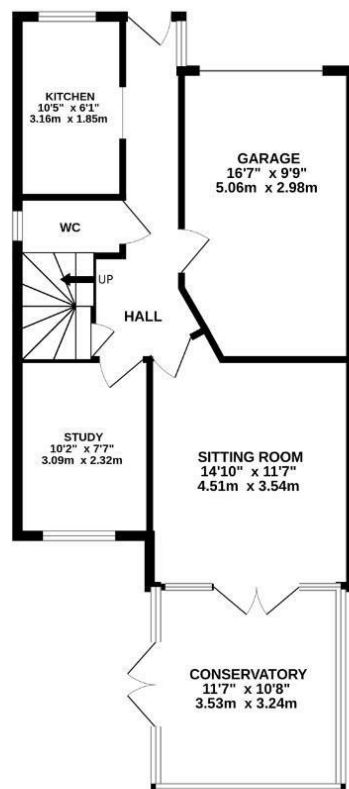

The stairs rise from the hall, where you will discover a light flooded landing, offering three well proportioned bedrooms, two of which are home to large double beds, the master bedrooms is positioned at the rear of the home and boasts a en-suite shower room along with a fitted wardrobe. Across the hall, are bedrooms two & three, which are located at the front of the home, the guest bedroom is a spacious room and is finished with a large alcove, the ideal place for free standing furniture. Finally, there is a family bathroom that services bedrooms 2 & 3 with shower over bath, wash hand basin and W/C.

Externally, without a doubt a huge attraction for most, whilst the addition of a rear conservatory has been added, it's not taken away from the size of the garden in our opinion. There's a patio area that leads from the french doors of the conservatory, the perfect spot for a table and chairs for alfresco dining! The garden is mainly laid to lawn, positioned perfectly to capture the afternoons sun, being a southerly facing garden – it's ideal for those that enjoy the sun! There's a handy garden shed & the rear boundary is tree lined, providing a real feeling of privacy in the garden when the children play.

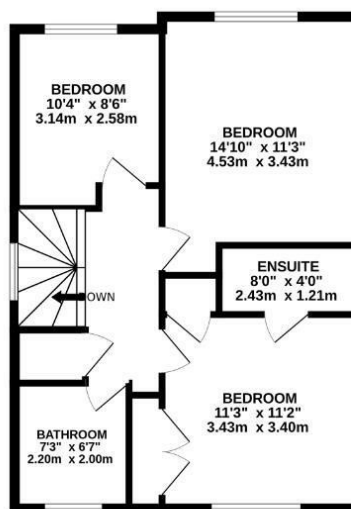

This home can be found within the popular Chartfields development area of Ashford, an area which offers an array of rural walks, a local supermarket (Park Farm Tesco's), a number of well regarded primary schools, nurseries, an indoor children's centre and local amenities near-by. It has proved to be a extremely popular place to live, proven by the many families that have purchased in the area over the many years. Kingsnorth is approx. 2 miles away from Ashford International Train Station, offering High speed travel directly into London at 38 minutes! The Ashford Town Centre and newly developed Junction 10 and 10a of the M20 are both nearby courtesy of a small car journey. We are sure that this property wont hang around, so encourage you to call quickly to arrange your viewing and avoid disappointment!
