This home really offers that semi-rural feeling with its outlook, but still being very close to local amenities within the development itself.

Behind the small, yet well kept frontage – is the front door of this humble home, it opens into a large welcoming entrance hall, the hall itself greets you with a modern oak flooring, leading into one of the homes living space. The lounge, measuring approx. "19'7 x 10'10" is flooded with natural light with French doors that lure you into the garden, the well proportioned lounge is a spacious room allowing the family to unwind without feeling on top of one another. From the hall is the ground floors W/C, an all-important addition that you would expect from a family home of this size.

The kitchen is the real hub of the home nowadays, the space offers a great array of wall and base units, with all of the essentials integrated under white composite work surfaces and contrasting, sleek grey cabinetry - fitted with integrated appliances, providing ample storage for all that comes with family life. The room is even large enough for a table and chairs, even the chance to dine alfresco with the double doors found next to the dining section within the kitchen.

The stairs rise from the entrance hall, where you will reach a spacious landing.
