LOCATION

The ancient town of Selby was originally settled during the Roman period, and since then has built a rich and varied history, from battles to the birth of King Henry I. It is constantly expanding, with many residential and commercial developments around the edges of the town, as well as housing redevelopments on the river front. The amenities of the town are comprehensive, including 4 supermarkets, a hospital, several good schools at primary and secondary level, many pubs and restaurants, along with a bustling high street with its selection of shops. The town is also home to the beautiful Selby Abbey, founded in 1069. Another strong point of Selby is its excellent transport links, with bus links to all of the surrounding towns and cities and direct rail routes to London, Leeds, Manchester and York.
