£525,000

****Quite Possibly the Best Location in Greenbank!**** and with a large garden! This road and its community holds more than just value - with the local people, independent amenities and cycle path access it really is a lovely place to have a home. This house itself has the feel of a French holiday cottage with its greenery, coolness and wood finish to the windows and floors, it's immediately welcoming. All the rooms are well laid out and generous in size. Starting with a bay fronted lounge and understairs bike storage leading to the kitchen diner which will definitely be the hub of the home as it looks out to the pretty private garden. The first floor has two double bedrooms - one of which has a walk in wardrobe! alongside the family bathroom. The loft has been nicely converted to create a bright double versatile room with four Velux windows providing city rooftop views. Please arrange to have a look inside. It really is charming.
