The images, floor plan, and HD VIDEO WALK THROUGH do a fantastic job of showing you what's on offer.

Now available is this well-proportioned 2-bedroom apartment within this Period Conversion on this quiet and tranquil road.

The property spans approximately 693 sqft of living space and has two-bedrooms, and is a stunning period flat on first floor of building, The property features a separate modern kitchen alongside a generous reception room that is filled with natural light. There is also access to a shared garden. In addition to this, the property also has sound proofing underlay.

In proximity of Hurstbourne Road are a plethora of shops, restaurants and amenities as well as plenty of open green spaces and parks.

Here is what the owner had to say about the property:

- I really love the large living room and dining area. It's a great space for entertaining. The garden is a great size and easy to share with downstairs neighbour. The size of the kitchen is great for the size of flat. Hurstbourne Road is very friendly and I got to know local neighbours who were very helpful and happy to help one another. The street is very quiet, despite being close to Stanstead Road. The location is fantastic - close to lots of green spaces (Mayow Park, Blythe Hill), with fantastic pubs locally too such as Blythe Hill Tavern, often voted in top pubs of London and my favourite still. Great transport links via Catford or Forest Hill with a bus stop at the end of the road.
